At our last PTA meeting on May 16th, we celebrated our annual Educator of the Year and Golden Acorns. Thank you to all that were able to attend and help us celebrate.

Mr. Cline received the Outstanding Educator of the Year Award. For more than fifteen years he has been a stable and strong influence on our past and present Fruitland Rams. Thank you for all of your hard work and we are happy to celebrate you this year.

Our Yoder Yodel award was presented to one of our 6th graders, Skylar S. She has freely given up recesses to help with Mrs. Lee’s first graders. She works with the student on their sight words and reading. Thank you for being such an awesome example of how Fruitland Rams help each other. Congratulations!

And finally, our two Golden Acorns, we were happy to present them to Bobbi Phair and Jehan McCallum. Bobbi has taken it upon herself to help organize our 5th Grade committee this year. She has gone above and beyond to ensure the Class of 2024 would be able to attend camp and all the fun things that go along with it. Thank you so much Bobbi, you are greatly appreciated.

Jehan was also given the golden acorn award for her constant commitment to helping with the PTA. She serves as our treasurer, but on top of that she handles our book fairs, helps with the science fairs and judging, she has helped with the establishment of our Ram snack shack. She is willing to help with anything that is asked of her. She is truly a deserving winner.

Thank you to all our award winners, you make Fruitland wonderful.
A LOOK AHEAD

For the 2017-2018 school year, the Puyallup School District will not be mailing postcards to notify elementary students and parents of their teacher and class placement for the school year. Instead, we will be using SchoolMessenger and Schoology to notify families electronically.

In order to ensure you will be receiving your child’s classroom placement for the 2017-2018 school year, please make sure that your contact information is correct – phone number and email address. Notify your school if you need to make changes or have any questions. All changes will need to be made by the last day of school, June 23rd.

Right at School is coming to Fruitland Elementary next year. The Puyallup School District has announced that Right At School, a nationally recognized tuition-based before and after-school enrichment provider, will offer their “Right Club” program on-site at all 21 elementary schools next fall. This will provide a safe learning environment and enriching programs for children before and after school. For more information, please visit the Puyallup School District website at www.puyallup.k12.wa.us.
Thanks to everyone for another successful BOGO Book Fair! Thank you to our wonderful parent volunteers that helped during the fair: Carolyn Welsh, Kelly Dickson, Rebecca Mann, Heidi Spence, Janelle Luckman, Jennifer Ringenbach, Melinda Rose, Megan Matteson, and Maria Finley. A special thanks to Carolyn Welsh for helping set up the fair and to Kelly Dickson & Rebecca Mann for helping pack up the fair. Have a great summer and we will see you in the Fall at the next book fair!

Family night was such a blast! Thank you for all of the amazing parents and FSG student volunteers that helped out to make our PJ Dance Party a success. We couldn’t do it without you. Thanks again!!!

The Buddy Bench is IN!!

There are several Fruitland families that we owe a HUGE thanks to for helping get the Buddy Bench installed on the playground. The Kingery Family for staining the bench and installing the Buddy Bench plaque. The Dizon Family for helping us design a plan for the placement of our buddy bench. Without their help and planning, I am sure we wouldn’t have been able to get this finished this year. The Carli Family for installing the cement pad in the planter so we will be able to finally install our beautiful buddy bench. Without the generosity and kindness of these families, we wouldn’t be able to have these wonderful additions for our students.

And lastly, a BIG Thank You to Mrs. Nelson for storing the bench in her classroom this year.
